Oakdale High School Athletics Athletic Transportation Fee Agreement

Dear Parents and Athletes,

Due to the continued financial condition in the district, each athlete will be required to pay an Athletic Transportation Fee. The funds generated helps pay some of the athletic transportation costs and helps to prevent additional cuts in the athletic programs. We appreciate your understanding in this matter.

The following are the terms for the transportation fee:

1. All high school student athletes will be required to pay a \$75.00 per sport transportation fee. If a student participates in two or more sports, they will only have to pay a maximum of \$150.00. A family with two or more athletes in the school district will pay no more than \$300.00 in a given school year.
2. The Transportation fee will be paid only after the student athlete has made the final roster cut. This fee must be paid before the first athletic contest, unless other arrangements have been made in advance with the Athletic Director. The fee applies to all sports regardless to the amount of transportation the team receives and will be used toward the cost of the high school's athletic transportation costs.
3. Payment of the fee does not guarantee a given amount of playing time per game or season. It is solely being used to offset a portion of the transportation cost of the athletic program.
4. There are no refunds provided for students who quit, become ineligible for participation, or are dropped from the team as a result of discipline measures. Refunds would be issued in case of injury that negates travel with the team prior to the start of the season. Once a season has started there are no refunds.
5. Fee is not waived. Alternatives may be available for students that qualify. The Athletic Director, Athletic Coordinator, and coaches will be able to direct students, with specific hardship situations for assistance.
6. The Transportation Fee can be paid in the Business Office at Oakdale High School. Please make checks/money orders payable to OJUSD.
7. Please sign and indicate what sport you are participating in on the reverse side.

We have read the policies and agree to pay the OJUSD Athletic Transportation Fee.
